

Echo

For Baritone and Piano

Echo - Ursula Vaughan Williams

Echo by a ferny spring
Echo by houses loitering
Speak or whisper she will hear
change your hope to fear

Listening since the world began
takes the careless words of man
take a foolish idle jest
turn it, against your breast

every word she gives a wound
only silence keeps her bound
gives them back with other sense
clothed in mocking innocence

Be silent, let echo rest.
