## Section β

<i>mnt</i> (GN)	4.355	33	PC	Court 5 (four)	1331	2.90	
<i>mnt</i> (uncertain)	1.4	VII.56	GP	0	210-264	0	n The precise meaning of <i>mnt</i> remains obscure. Some commentators (e.g. de Moor, <i>ARTU</i> , p. 65 n. 300) appeal to Hebrew <i>hnm</i> 'divide, appoint, count'. But the contexts are fragmentary and translation uncertain. See, however, <i>CR</i> , p. 361 n. 92.

ṭ' (clan name?)	1.14	IV.37; V.32; VI.16, 40	surface	0	0	0	y	The traditional interpretation is to translate ṭ'y as a clan name, the most notable member of which was Keret. Wyatt proposes, however, to translate the term as 'the votary', and speculates that the term may serve to remind the reader of the seriousness of Keret's position once the time comes for him to fulfil his vow to the goddess Athirat ( <i>RTU</i> , p. 200 n. 115).

	1.4	VIII.49	GP	0	210-264	0	n	The relationship between the forms <i>t'y</i> and <i>t'</i> remains unclear and has generated a good deal of discussion (see <i>RTU</i> , p. 146 n. 131 for biblio.). <i>CR</i> , pp. 196-97 n. 89, maintains that <i>t'y</i> can represent noun and participle, 'offering' and 'offerer' respectively. In addition, <i>t'y</i> also has the appearance of a gentilic..
