

Yorkshire & The Humber Region
1:250 000 Series Agricultural Land Classification

This map represents a generalised pattern of land classification grades and any enlargement of the scale of the map would be misleading. This map does not show subdivisions of Grade 3 which are normally mapped by more detailed survey work.

1:250 000 at A0

Further Information
 Details of the system of grading can be found in Agricultural Land Classification of England and Wales: revised guidelines and criteria for grading the quality of agricultural land www.defra.gov.uk

For further information about the availability of Agricultural Land Classification data, including more detailed local surveys, please contact the Natural England Enquiry Service on 0845 600 3078 or e-mail enquiries@naturalengland.org.uk

Grade	Description
1	Excellent
2	Very Good
3	Good to Moderate
4	Poor
5	Very Poor

Non-Agricultural Land

- Other land primarily in non-agricultural use
- Land predominantly in urban use
