

REQUEST TO WITHHOLD THESIS

Under Regulation 2.7.9 a candidate may request that access to a thesis should be withheld, and that none of the material contained in it should be reproduced, for a period not exceeding five years from the date on which the printed copy (or copies) of the thesis is deposited with Research Student Administration after examination.

I request that access to my thesis be withheld, and that none of the material contained in it should be reproduced until the following date:

..... 24 / 03 / 2025(DD/MM/YYYY)*

This date may not be more than five years from the date of **deposit of the printed copy/copies of your thesis with Research Student Administration.*

I note that, following this date, my thesis will be available for consultation and reproduction, subject to normal conditions of acknowledgement.

Surname: FORT AZNAR (BLOCK CAPITALS)

Forename(s): LAURA (BLOCK CAPITALS)

Student Number: 201048067

Thesis Title: RNA Dysregulation in an Endosomal Impaired *Drosophila* Model of Frontotemporal Dementia/Amyotrophic Lateral Sclerosis
