Student number: 108046236

**Ensemble:** Electric guitar and piano. A set of effect pedals is used on guitar, which includes: digital delay, pitch shifter, chorus, digital reverb, octave, overdrive.

**Duration:** Approximately 8 minutes

**Performance Notes:** Tempo, dynamics and when to move on to the next mode/scale should be devised as they go, always aiming to interact with the other instruments and keep a coherent flux of events.
