NORIBERGHENSIVM 1699

(2021, rev. 2022)

for
flute, bass clarinet, violin, 'cello & piano

Duration: c.10 minutes

The title of the piece alludes to an inscription in the front matter of Johann Pachelbel's *Hexachordum Apollinis* of 1699. The whole inscription is 'JOHANNES PACHELBELIVS ORGANISTA NORIBERGHENSIVM' which uses an alphabet by Johann Beer. The inscription, using the alphabet, translates into the number '1699' which is the year of publication. The meaning of the inscription is 'Johannes Pachelbel organist of Nuremburg'.

NORIBERGHENSIVM 1699 is split into six short movements, following the vague structure of the Pachelbel piece which is split into six arias and variations. In this piece, each movement contains either one, six or nine references to the Aria in the original Pachelbel material in various ways ranging from direct quotation, to filtered quotations, to structural/technical references and adaptations. These references of Pachelbel's material become slightly more potent as the piece develops, but are never explicitly on the surface at any time.

This piece was initially completed in 2021 and was written for piano trio. The piece did not contain any references to the Pachelbel at first - the inclusion of the Pachelbel material came when I decided to revise the piece and add the flute and bass clarinet into the instrumentation. The original rhythmic material from the 2021 version has largely stayed the same apart from some additional material in the flute and bass clarinet. The pitch material, on the other hand, has been completely transformed throughout using Pachelbel's material as a starting point.

This musical score page contains five staves. The top two staves are for Flute (Fl.) and Bassoon (B. Cl.), both in 5/4 time. The bottom three staves are for Violin (Vln.), Cello (Vc.), and Piano (Pno.). The score begins with a dynamic marking 'p' over the Violin staff. A 'rit.' (ritardando) instruction is positioned above the first measure. The time signature changes to 9:8 in the middle of the measure. The 'gliss.' (glissando) instruction is placed under the Cello's eighth-note cluster. The dynamic 'ppp' is indicated below the Cello staff. The piano part features a dynamic transition from 'p' to 'ppp' and a 'Led.' (legato) instruction. Measure 92 concludes with a change from 5/4 to 2/4 time.
