

Service User Information to Support the Use of Short Warwick Edinburgh Mental Well Being Scale

At significant points in your care, you will be asked to complete this rating scale. This is to help staff understand your thoughts and feelings. Your answers will be helpful in assessing your needs and with you planning your future care.

If you do not feel like completing this scale you can decline and this will not affect your care.

Below are some statements about feelings and thoughts.

Please tick the box that best describes your experience of each over the last 2 weeks
